

The 24-25 Tree Tour Season Begins!

The UA Campus Arboretum will begin the fall semester of Tree Tours on Sunday, September 15th. A series of six different tours, led by Pima County Master Gardeners, will be offered every Sunday through mid-December. Each tour features a different collection of trees and plants, and one tour features the history of this remarkable Arboretum.

For a detailed description of all tours, to view the tour schedule, or to register for a future tour please visit https://arboretum.arizona.edu/tree_tours.

Registration opens on August 17th.

All tours are free.

Parking is available in the Campus garages for \$2.00 / hour.

We are pleased to announce the addition of new tour this fall!
The ENR2 Building is home to many native and non-native plants that thrive in this innovative and eco-friendly setting. The ENR2 tours will be offered once a month on Saturdays.
